collaboration | community | commitment

# ABOUT WILGA

**Our competitive advantage lies in our deep understanding of the industry and our commitment at working collaboratively with our customers and community partners.**

Wilga Indigenous Corporation (WIC) is an NT Indigenous-owned corporation committed to sustainable community development and economic empowerment through active participation in major infrastructure projects.

Our goal is to supply high-quality quarry materials for major infrastructure projects throughout the NT, contributing to successful completion, while fostering growth and opportunities within Indigenous communities.

## OUR VALUES

### Quality

Supply quality products and services to contribute to the growth of Northern Territory Government economy.

### Social Responsibility

Competitively priced, quality services, providing flexibility to meet customer requirements, with Social Responsibility at our core!

### Employment

Engage, mentor and support local indigenous talent to in-turn contribute to developing Northern Territory communities.

## VALUE PROPOSITION

**Quality and Reliability:** Consistently provide high-quality quarry materials that meet or exceed project specifications.

**Timeliness:** Ensure timely delivery to keep construction projects on schedule.

**Compliance and Safety:** Maintain strict adherence to safety and environmental standards.

**Employment and Training:** Create job opportunities and provide skills development for community members.

**Cultural Integration:** Promote and integrate Indigenous cultural values and practices within our operations.

**Community Development:** Invest in local initiatives that enhance the socio-economic wellbeing of the community.

## CORE COMPETENCIES

Our Core Competencies are outlined below. In addition we provide site preparation and contracting services providing our valued customers with seamless service execution.

### DEMOLITION IN REMOTE NT

Our experienced team are able to provide safe and efficient house demolition services, including site preparation and waste management.

### CRUSHING AND SCREENING

We have mobile crushing and screening plant and equipment and are able to provide crushing and screening services off site and at remote locations.

### EQUIPMENT SUPPLY & DELIVERY

We supply and deliver to site an array of plant and equipment to our valued clients in construction, civil engineering and landscaping industries. Our plant and equipment includes essential machinery such as excavators with buckets and rippers, transport vehicles, and processing facilities.

### MATERIAL SUPPLY & DELIVERY

We provide high quality materials to customers in construction, civil engineering and landscaping industries. Our products include crushed rock, gravel and sand.

# OUR HISTORY

Wilga Contracting has cemented a history of delivering outstanding project performance!

Since 2020, Wilga Contracting has proudly served the Northern Territory's civil construction industry, earning a reputation for delivering exceptional services grounded in our unwavering commitment to our core company values:

**Quality | Social Responsibility | Employment**

Originally established by industry experts from the highly successful Yebna Quarries team, Wilga has since grown significantly. We now serve a diverse range of clients and projects, seamlessly leveraging the complementary services provided by Yebna to deliver outstanding results across the region.

# OUR TEAM

At the heart of Wilga Contracting's success is our dedicated and skilled team. Each member brings a wealth of expertise, passion, and commitment to every project, ensuring we consistently deliver exceptional results. Our team is not just a group of professionals but a tight-knit community bound by shared values of integrity, quality, and innovation.

The diversity of our workforce is one of our greatest strengths, bringing together individuals with specialized knowledge in construction, civil works, logistics, and project management. This diversity enables Wilga Contracting to offer a holistic approach to service delivery, with our team working seamlessly to meet and exceed client expectations.

Above all, our people are committed to delivering results that make a positive impact on both our clients and the communities we serve. Their dedication, expertise, and unwavering commitment to excellence are the driving force behind Wilga Contracting's continued success.
